To Whom It May Concern:

Dara Security, a PCI SSC PA-QSA, has completed our review of the AutoClerk Property Management System version 9 payment application for PA DSS 3.2 validation. Based upon our review of provided materials and technical testing, Dara Security has determined that the application meets the requirements defined with the PA DSS 3.2 requirements.

Dara Security completed and submitted all materials to the PCI SSC for their acceptance. Currently, the PCI SSC is indicating a 30 - 45 day period for final processing of all submissions.
